ENAP, Inc. is awarded FSC and SFI Certification

New Windsor, NY, December 1, 2009

ENAP, Inc. is pleased to announce they have successfully completed their FSC (*Forest Stewardship Council*) and SFI (*Sustainable Forestry Initiative*) certification audit and is now chain of custody compliant. ENAP's FSC certification is effective as of November 11, 2009, and SFI certification is effective as of October 29, 2009. ENAP, Inc. has earned their certification through Scientific Certification Systems in Emeryville, CA who is accredited by the FSC to certify companies to their international standards. ENAP, Inc. now meets strict tracking requirements to ensure the products they sell as FSC-/SFI-certified come from well managed forests.

Being able to offer FSC- and SFI-certified products to its membership, ENAP becomes an even more valuable resource as responsible environmental behavior and business practices increase.

ENAP, Inc.'s FSC Chain of Custody code is: SCS-COC-002867 and SFI Chain of Custody number is: NSF-SFICOC-C0028340.

About ENAP, Inc.

ENAP, Inc. is a lumber and building materials cooperative specializing in servicing the pro-oriented lumber dealer. Their mission is to be a resource for their member customers for achieving operational excellence through access to competitive pricing and programs. ENAP, in turn, is an advocate for the mills and manufacturers in representing their products to the customer base and providing sales support to grow market share.
