ENAP, Inc. New Windsor, New York hires new Director of Forest Products.

On May 11th, ENAP has a new employee starting. We are excited to announce that Duncan Facey will be our new Director of Forest Products.

As a former senior manager at Georgia-Pacific and North Pacific, Duncan brings to ENAP an in-depth knowledge of the forest products business. In addition to his extensive work experience, he has also earned an Executive MBA at Emory University.

The combination of his training, leadership abilities, and business acumen will make him a great addition to the Forest Products Business and the ENAP team.

ENAP, Inc. is a lumber and building material cooperative located in New Windsor, New York, founded in 1967 and servicing premier independent dealers nationwide.
